

Galena Band Meeting
December 2, 2013

Attending: Steve Cohen, Sheryl Cohen, Leslie Lyles, Celine Kirchman, Kevin Sady, Brooks Harris

Meeting called to order - 7:02 p.m.

Treasurer's Report

- * Booster Account \$27,559.06
- * Fees Account: \$907.48
- * Trip Account \$15,586.22

Kevin reported that we spent \$3,600 on spirit packs. Discussion about it was we could improve on sizing (ran large). Consider black sweats/pants purchased separately.

Kevin asked if money for instrument repair. Shared that really being conservative to save money.

Leslie noted that Raley's donation was \$236! SCRIP orders going well; have already shown \$106! Deadline for next order is Wednesday, October 11th (night of the concert). We'll bring order forms for that evening. Kevin will also send a note out.

Winter Concert

Same location as last year. Call time is 6:00 p.m. (dressed) Practice, December 10th from 6-9 p.m. (usually done around 8 p.m.)

Steve will volunteer and Amy Willow has the list of volunteers. Steve to check with her.

Leslie will proofread the program.

Boston Trip

Kevin noted that right now, to meet the budget, it will require the band to bus over to San Francisco (\$3,200). At this time, it looks like we will need to leave Reno by 4 a.m. to arrive at SFO in time for 11 a.m. flight. The return home will include a bus ride as well - expected return will be 2:00 a.m. Kevin will send a note to parents to share the latest developments.

Instrument Rentals - Kevin waiting to hear back from Michelle Boyce re: ability to rent from a Boston-area band. Some larger instruments we will pay for them to ship with the luggage. Likely to pay for each child to check one bag.

Payments for the trip are coming in well - no worries.

POC

Quick discussion. We are currently discussing when the POC will be next year. Currently, our week is scheduled for the week coming back from fall break.

Next Band Booster Meeting

January meeting cancelled (during break) February 4, Tuesday at 7p.m.-location to be announced

Meeting adjourned at 7:35 p.m.
