Meeting call to order 7:05pm

Treasurer's report;

Student Account \$11345

Booster Account \$7522

Trip Account \$0

Discussion on the treasurer's duties for the coming year.

Door knocker fundraiser is set for 9/9. Call time is 8am and students and parents should leave about 9am and return by 12pm. We still need 15 parents to drive. This is a biggest fundraiser of the year so it's important to get the volunteers.

Galena Fest is in 9/24. Cal time is 7:30am and should be done by 9am.

Uniform fittings will be on 9/28.

POC (Performance of Champions) on 10/14 has about 20 volunteers signed up as of now. We will need more. Kevin will make sure the field is properly striped. Booster meeting on 10/9 will double as POC meeting for all volunteers.

Galena will be doing inventory at Meek's Lumber in Carson City again this year on 9/16. Meek's has increased the amount donated to the band. Students will be able to earn hours.

Spring trip is tentatively set for 3/22/18-3/25/18 for "Music in the Park" at Disney. Galena will be traveling with Reno High School Band to help offset bus costs.

Discussion on having a social event for band family's like we had in the past. And fundraising ideas for kids to help offset cost of the spring trip like coupon books. Board will continue to work on and solicit ideas form all parents.

Steve Cohen to train volunteer parents on setting up band shows. Gwen Lorson has offered to pull a band trailer for shows coming up in October. Kevin will get the generator fixed.

Band T-shirts and sweatshirts will be coming soon.

Kevin will be acquiring some new instruments and fixing others.

Meeting adjourned at 8pm
