Meeting Called to order 7:00pm

Treasurer's Report;

Student Fee Account \$10,118.61

Booster Account \$12,991.61

Trip Account \$0

Spring Trip

There was discussion on the spring trip tentatively scheduled for 3/22-3/25. Galena will be sharing the trip with Reno HS in order to share transportation costs. The proposed itinerary would be leaving Thursday and return Sunday. Some of the activities, beside the competition could include Disneyland, Laguna Beach, and Medieval Times. The door knocker fundraiser has raised enough to cover a bus, reducing student cost about \$100. Total trip cost should be in the 3-400 range. Nothing is set as of yet. There will be more information to coming soon.

Door knocker fundraiser raised appx \$6700 and more is coming in every day.

Winter concert is scheduled for 12/13 at the Atlantis. We are just waiting on Confirmation from the Atlantis.

Performance of Champions – POC 10/14/17

The POC is the first of this season's band competitions and is hosted by Galena Band at Galena HS. It is also a fundraiser.

There was significant discussion on volunteer assignments, starting/stopping times, and general logistics. Currently there are six schools besides Galena attending: Damonte, Spanish Springs, Carson, Douglas, Dayton, and Fernley. This is the largest event of the year and we're in need of parent support. The band really needs a small commitment from everyone to help staff the POC. The show is set to start at 2pm and finish about 4pm but set up starts at 9am and cleanup after the show until appx. 5pm. We need about 30 adult volunteers. Nancy will be sending out the volunteer list in the next few days. If your name is not on it, contact Nancy to get placement.

Fundraising opportunities

Kathy presented preliminary options for fundraising by selling produce (oranges), coffee and coupon books. There will be more details coming soon. There was also discussion on a fundraising/social event for the band and parents.

Meeting adjourned at 8:35pm
