Treasurer's report:

Account - Band Fees: \$6974.01 (includes payments for some shows) Account - Band Boosters: \$13,192.03 - funds used for the trip Account - Band Trip: \$1756.52 (deposits for the Boston trip)-includes a deposit made for reserving the trip

Kevin estimates he has another \$1,500 in checks to deposit. He noted class fees seem low.

Amy asked if there was a credit from Yogurt Beach (from Spring Concert). Leslie reviewed the accounts and did not see any; ACTION: Amy will follow up to see.

Raley's Account: \$190.94 - we got this through entering our account. You can set up to contribute to the Galena Band and we raise ~\$800. Steve noted that with the contributions of families over time, the Hunsberger raised \$30K over several years. So, please contribute and make sure to designate the GALENA BAND (instructions on the galena band website).

ACTION: Could we get an email out to the band members with step by step instructions (STEVE)

Door Knocker: Saturday, September 7

8:30 arrive, teams do their routes; required to return by 11:45 at the latest.

Kids will be dressing in their uniforms

ACTION: Amy/Kevin to discuss how to dress the flag team

ACTION: Parents should bring driver's license and insurance to the door knocker for Kevin (help with liability).

How the door knocker works: each driver takes several kids dressed out in their car and kids go door-to-door asking for donations or leaving envelopes for people to mail in donations.

Parents will get a copy of the letter used for the activity. The letter talks about the plan for band to go to Boston for a trip. Judy will be available to count money

October 5th - McQueen Band Show
